

Dear Friends and Neighbors,

The Medfield Food Cupboard is entering our 33rd year of carrying out our mission to help our neighbors in need. We continue to enjoy our home at 93 West Street. Clients shop in our bright, welcoming space that is stocked with essential perishable and non-perishable items. We offer additional variety based on our clients' dietary needs, including gluten free products and vegetarian options.

We currently support 85 Medfield families, including 16 households that receive home deliveries. We are fortunate to have the support of schools, churches, civic groups, businesses, and many individuals who provide critical donations of time, money, and food. We are grateful for all who support the Medfield Food Cupboard and our important mission.

Our officers, department heads, coordinators, and volunteers are the heart and soul of this organization. Their dedication and hard work are what make the Medfield Food Cupboard so successful.

Happy holidays to all!

Sincerely,

Beth G. Eby
