

Dear Friends and Neighbors,

As we head into the fall, we remain grateful for your partnership and ongoing support. Our primary focus over the past year was to ensure a smooth transition for both clients and staff to our new location at 93 West Street. Thanks to the combined efforts of many, the transition went without a hitch. A few highlights:

- ◆ Our bright, new space provides a safe and private setting with expanded operating hours for shopping.
- ◆ Increased refrigerator/freezer capacity allows us to offer a wider selection of healthy, perishable food items.
- ◆ Tiered shelving units neatly display nonperishable foods and household items, allowing clients to comfortably stroll our aisles.

We continue to work with our Medfield partner organizations and are delighted to now have the services of our Town Nurse. She will assist clients with health-related questions and provide basic health care services in a confidential setting. Client feedback regarding these services, and the many services provided by our community partners, has been overwhelmingly positive.

In closing, we thank you for the support you provide through financial donations, food drives, and volunteering. Your continued commitment to our community is the foundation for our shared success!

With sincere gratitude,

Susan Gorog, President, and the MFC Leadership Team
