

Dear Friends and Neighbors,

It is hard to believe that I am again writing the President’s letter for the Medfield Food Cupboard newsletter. This year, I stepped back in as Interim President when Susan Gorog stepped down after many years of dedicated service. I am grateful for Susan’s leadership in recent years, and wish her and her family the best. I am thrilled to be back involved with this amazing organization, and I am looking forward to a busy holiday season.

The Medfield Food Cupboard continues to thrive! We are so very happy in our new home at 93 West Street. We know that our clients enjoy their shopping dates with us in our bright, welcoming space. We are able to offer so many wonderful selections – and, we continue to offer additional variety based on our clients’ needs, including gluten free items and vegetarian options. We truly look and feel like a grocery store.

We currently support over 90 Medfield families. We make home deliveries to around 18 of those families. We work together with Medfield Outreach to make sure we are not missing any family that may need our services. We are fortunate to have the support of the schools, churches, civic groups, businesses, and many individuals, who provide critical donations of time, money, and food. Without this support, we could not function. We are very lucky! Thank you to all!

I will be acting as President for the next year and look forward to watching the Medfield Food Cupboard continue to grow. The Officers and our Board of Directors are an amazing group of people who are the heart and soul of this organization. I am in awe of their dedication and hard work. They are what make the Medfield Food Cupboard so great.

I wish everyone a wonderful holiday season.

Sincerely,

Beth G. Eby
