

Dear Friends and Neighbors,

As we celebrate the Food Cupboard’s 30th anniversary of serving the Medfield community, we remain grateful for the generosity and trust you have bestowed upon us. To our founding directors, who came together three decades ago with the vision and compassion to help our neighbors in need, we salute you for the legacy you left to our town. In the 30 years since our founding, we have experienced external challenges from economic downturns to the wrath of COVID that is still affecting us. Through these difficult periods, our community of donors, friends and volunteers have taught us that, together, we will unfailingly meet our mission to provide food and essential household items to our neighbors who need it.

We want to also share the good news that we recently moved to our new home at 93 West Street. This location provides a space that will greatly enhance our distribution model and offer clients more flexibility to shop. While we are thrilled about the move, saying goodbye to the United Church of Christ was difficult. We will be forever grateful for our 30 years together and for the quick and gracious accommodation of our every need.

With many thanks for your partnership and continued support,

Susan Gorog and Tracey Rogers
